**MEMORANDUM ENDORSED**

**Re: Request for Extension of Discovery Schedule**  
**Tyler Erdman v. Adam Victor, et al., No. 20 Civ. 4162**

Dear Judge Gorenstein,

Plaintiff writes to request an extension of the discovery deadline from November 18<sup>th</sup> to January 20<sup>th</sup>, 2025 and the letter to Judge Schofield as required by paragraph 13.b of Docket #77 currently due on November 25<sup>th</sup>, 2024 to be extended to January 27<sup>th</sup>, 2025.

Per Docket #306, the parties have been discussing issues Plaintiff found with Defendant's production. Defendant provided a production on November 13<sup>th</sup> and is working on providing an accompanying privilege log which he expects to have done this week. Plaintiff is reviewing the production and the parties plan on discussing issues Plaintiff has identified next week. This extension will serve to allow the parties time to try and resolve these issues and for Plaintiff to make applications that may be necessary. It will also alleviate scheduling issues around upcoming holidays.

This is the 17<sup>th</sup> request for such an extension.

Mr. Rodriguez and I discussed this issue for approximately ten minutes today and Defendant agreed to this request.

The discovery deadline is extended to January 20, 2025. The due date for the letter to Judge Schofield as required by paragraph 13.b of Docket #77 is extended to January 27, 2025.

So Ordered.
